

AQUEOUS SMOKE

PRODUCT	DESCRIPTION	USAGE	MOQ
TRU SMOKE PYA	A mellow, natural hardwood smoke with antimicrobial properties. Can be used as an antimicrobial obstacle in meat processing operations and for flavoring in cheese applications.	0.20%	19 kg
TRU SMOKE 10	A dilute (10 brix), natural hardwood smoke flavor.	0.40 %	19 kg
TRU SMOKE 15	A slightly more concentrated (15 brix) natural hardwood smoke flavor.	0.35 %	19 kg
TRU SMOKE 25	Our standard product with a very traditional, natural hardwood smoke flavor.	0.20 %	20 kg
TRU SMOKE 35	A medium concentrate used when a specific match is required. Used in sauces, direct addition to meat emulsion and atomization.	0.15%	21 kg
TRU SMOKE 45	Concentrated condensed hardwood smoke flavor with a traditional smoke profile made specifically for industrial meat applications including atomization.	0.10 %	21 kg
TRU SMOKE 45 E	Our concentrated hardwood smoke with a lower flavor profile, high browning capability for atomization applications.	0.10%	21 kg
TRU SMOKE EUROPEAN BEECH 25	European Beech smoke with the distinct, robust flavor of traditional smoke typical of high-quality smoked meats.	0.20 %	20 kg
TRU SMOKE EUROPEAN BEECH 45	Concentrated European Beechwood smoke made for vaporous smoking applications.	0.10 %	21 kg
TRU SMOKE MESQUITE	Made from 100% Mesquite wood from Texas, with the earthy, full bodied flavor characteristic of southern BBQ.	0.30 %	19 kg
TRU SMOKE MESQUITE 15	Concentrated, made from 100% Mesquite wood from Texas, with the earthy, full bodied flavor characteristic of southern BBQ.	0.20 %	

AQUEOUS SMOKE

TRU SMOKE OAK 45	100% American Oak smoke with a slightly more acidic, tannic, smoke profile for use in meat applications. This can also be used in beverages or sauces where an aged or oak smoked profile is desired.	0.10 %	21 kg
TRU SMOKE MAPLE 45	100% Maple wood smoke with a traditional yet slightly mild flavor profile. Excellent for applications with a more neutral flavor profile such as chicken or turkey breast.	0.10%	21 kg
TRU SMOKE APPLE WOOD 45	Natural hardwood smoke with the hearty, robust flavor of applewood. This special blend of sawdust includes the bark from the tree which gives rise to the unique flavor of applewood smoke.	0.10%	21 kg
TRU SMOKE 65	Our most concentrated hardwood smoke flavor for specialized applications including pre-smoked nets and casings.	0.05%	23 kg

NOTE: Many of the different wood species that we produce can be made into a higher concentration (65 brix) for pre-smoked casing or net applications. Looking for a particular wood species for an application? Just ask, if we don't have it, we can make it!
